Dear Sir:

I received your letter and M. O. for $10. Thank you for both.

I am enclosing check No. A 24677 for the sum of $188.62 and you have to sign it on both sides after the red mark and you can cash it at the bank.

If that money belongs to your father please transfer it to him.

At the present time the case of your mother is this: If the Polish Government will give her a passport, she can come to the U. S. anytime. The papers I made for your mother are good in American Consul for next 5 years.

Sincerely yours,

Notary Public
